UV STERILIZATION CABINET

QUICK, EASY STERILIZATION USING ULTRAVIOLET LIGHT

WPI's portable ultraviolet (UV) sterilization cabinet is perfect for quick disinfection of small instruments, masks, cell phones, keys, money and other small items. The UV light automatically turns off when the cabinet door is opened, ensuring safe operation.

BENEFITS

- Rapid sterilization with high power UV light and ozone
- No added reagents required for sterilization
- Large sterilization capacity
- Easy access to the sterilization chamber
- Safety lock turns off the UV light before the cabinet opens
- Safe for users because dark blue lid blocks ultraviolet light
- CE certified
- 1 year warranty

FEATURES

- Professional counter top UV sterilizer
- Perfect for masks, towels and tools
- Automatically sterilizes when the lid closes
- Automatically shuts off when the lid opens
